# Applications Still Open

## Summer in Provence

French Language and Art of Living  
June 4 – July 16, 2011

We are pleased to announce that the American University Center of Provence is still accepting applications for the Summer in Provence program. The AUCP has a "rolling admissions" policy and thus does not have an official application deadline; however, places are limited and **priority will be given to applications received by April 18th.**

## Quick Facts

- Intensive French language classes at all levels
- Emphasis on inter-cultural communication
- Small class size
- French peer group encounters
- Individual homestay
- On-campus language pledge
- Weekly field trips
- Optional cooking and wine-tasting courses
- 90 contact hours
- Recommended credit - 6 semester credits

"The AUCP campus is intimate and very beautiful. I felt comfortable in the classrooms and also challenged. I definitely feel confident speaking French now, and couldn't have achieved this goal without the high level of AUCP instruction. I am grateful to have not just learned French, but I have forged great friendships"

## Formalities
