ISHA MASTER'S PROGRAM

IMPLEMENTING SUSTAINABLE HUMANITARIAN ACTION

An intensive, highly focused, prestigious, career oriented European Master's Degree in International Affairs, with a *joint Certificate in NGO Management and Design*

Intensive

- Ten-month program
- 400 course hours
- Six-week internship in a French NGO

Highly Focused

- Geopolitical emphasis on the interconnectedness of humanitarian and environmental concerns
- Regionally specific in the complex reality of local needs
- Teaching techniques associating academic knowledge and competence-based skill sets

Prestigious

- A joint program of The American University Center of Provence and the *Institut d'Etudes Politiques*
- Set in the south of France
- Combining the expertise of a French *Grande Ecole* and the pragmatism of North American-inspired experiential learning and field work
- Courses taught bi-lingually English and French

Career Oriented

Humanitarian Action

Responding to the chronic global need for sustainable action

ISHA graduates may aspire to positions as Project Manager, Intercultural Facilitator, Cross-Cultural Mediator

International Education, Study Abroad, Service Learning

In the next ten years, a projected one million students will be going to study abroad each year (five times current figures), plus fast-growing trends in volunteer vacations and eco-tourism create multiple career opportunities

ISHA graduates may aspire to positions as Resident Director, Field Supervisor, Intercultural Facilitator, Program Design and Management

NGO Management and Design

Non-governmental organizations, implementing pragmatic visions that cross national boundaries, increasingly seek qualified professionals to reach their goals

ISHA graduates may aspire to Executive or Managerial Positions
