Wherever you are in your life right now, **can you imagine yourself...**

- Starting your own NGO
- Coordinating humanitarian field work
- Leading service-learning initiatives in developing countries
- Being a study abroad program director in the country of your choice
- Accompanying groups on Volunteer Vacations
- Designing environmentally responsible travel programs

If so, **let the ISHA Master's program open these doors for you.**

ISHA: Implementing Sustainable Humanitarian Action

MASTER'S DEGREE IN INTERNATIONAL AFFAIRS

with a *joint Certificate in NGO Management and Design*

This ten-month career-oriented program, proposed in collaboration with *Sciences-Po*, includes a six-week [internship in a French NGO](#).

Acquired global awareness and intercultural competence lead to multiple career opportunities in a variety of professions, such as **Study Abroad Program Director, NGO Management and Project Design** or **Intercultural Facilitator** in the fast-growing field of ecotourism.

In addition, **ISHA graduates benefit from career services** including:

- > List of graduate profiles distributed to more than 200 partner universities and NGO's worldwide
- > On-line showcasing of graduates' CVs and career evolution
- > Alumni networking
- > Resume / CV critiques and counseling
